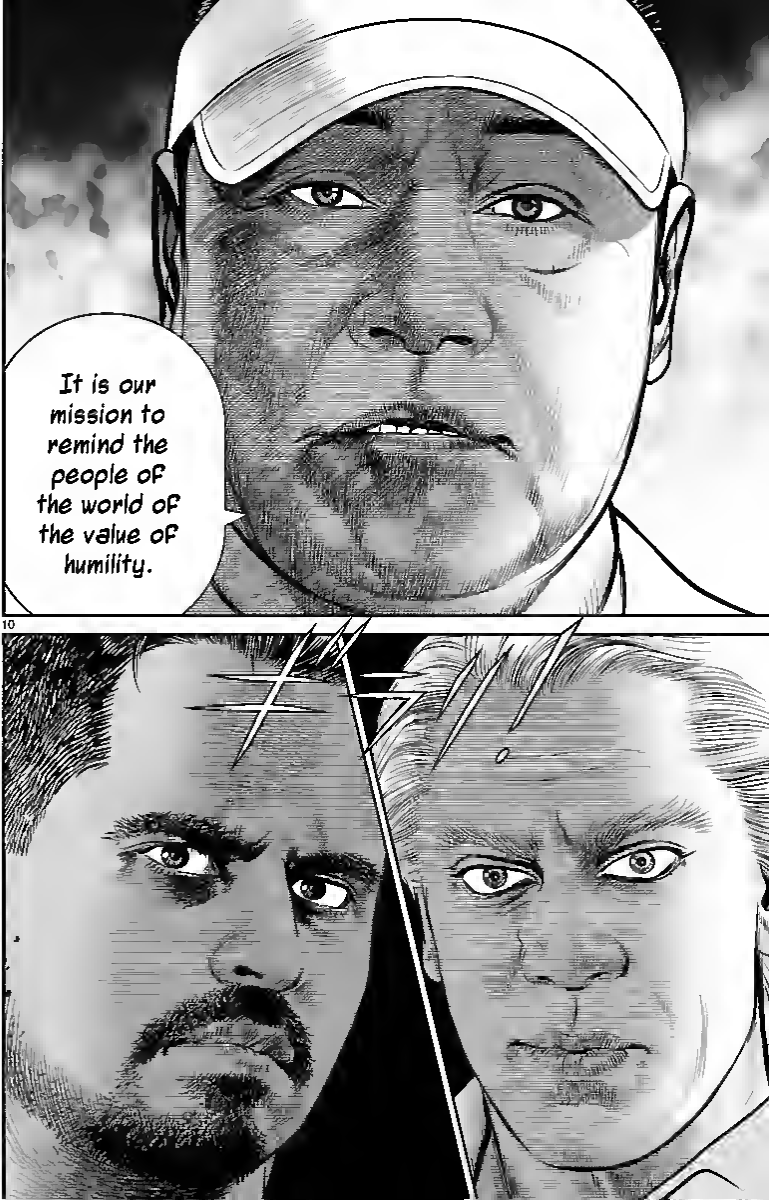
"A little bit of showing off can ruin the game."

I liked him a lot better than Jack Nicklaus. He was more approachable.
That's a quote by the great golfer, Arnold Palmer.

THE OPEN
CHAMPIONSHIP
The first time he won The Open, he gave himself a penalty for moving his ball in the bunker, even though nobody was watching.
That sincerity is why his name has gone down in history.



It is our mission to remind the people of the world of the value of humility.

We will drop the "Hammer of Cleansing" on New Year's Day.

What time on New Year's should we drop the hammer?
Just four days... Everything's ready for it.

Await orders from the Babel.

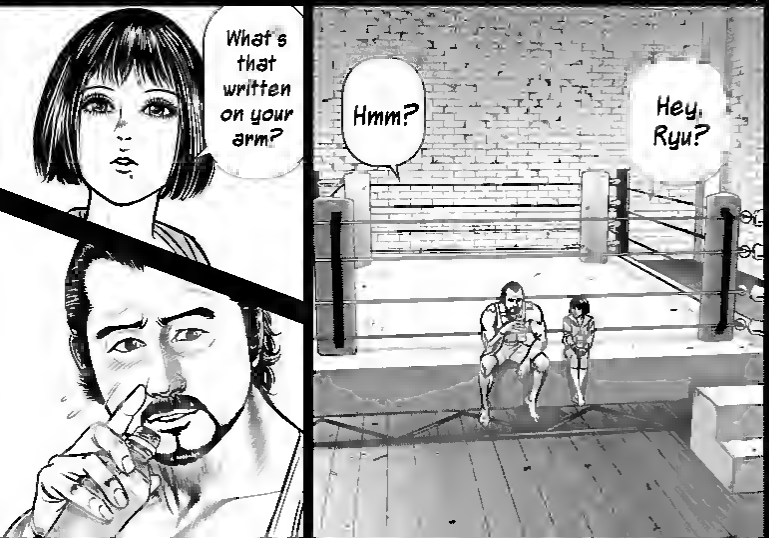
Let's take five.



What's that written on your arm?
Hmm?
Hey, Ryu?

"You can't get away from yourself by moving from one place to another."
It's a quote from an old novel.
You can't get away from yourself by moving from one place to another.
